2012-2013 Verification Worksheet

Your application was selected for review in a process called "verification". In this verification process, we will be comparing information from your FAFSA with copies of your, your spouse's (if married), or your parents' (if you are dependent) 2011 federal tax return transcripts, or with W-2 forms or other financial documents. **Federal regulations require us to collect this information before disbursing federal aid**. If there are differences between your FAFSA and the verification documents, we will make the corrections and send the required changes electronically to the federal student aid processor to have your information reprocessed.
