CHRIST ABOVE ALL
BRYAN COLLEGE

Dear Students and Families,

When 2020 began, none of us could foresee the challenges this year would bring to our campus and community. Yet as we read in scripture and see affirmed all around us, God is sovereign and is our source of refuge and comfort, just as He has been throughout history. This is why at Bryan College we rest in Christ Above All. No matter what happens, we can be assured that God will see us through.

The beginning of the fall semester is quickly approaching, and the team at Bryan College is working diligently to be prepared. Faculty are preparing their classes, while the facilities and housekeeping team are preparing Mercer and the dorms for students. We continue to monitor state and federal guidelines for repopulating the campus to ensure the safest environment possible. Our COVID-19 Task Force meets regularly to make plans for any scenario.

Students, it is our deep desire to continue fulfilling our mission to provide you with a Christ-centered education so that you will be prepared to make a difference in today’s world. With that in mind, we will be releasing a comprehensive plan for the fall by July 15th. In the meantime, we wanted to go ahead and answer some frequently asked questions that we have received.

We are so excited to have you back on campus! It has been quiet while you’ve been gone, and it will be a joy to see the campus buzzing with life again. You are in our continued prayers as you prepare for the coming semester.

Sincerely,

Dr. Doug Mann
President Elect
