COVID-19 GENERAL PROVISIONS

NOTIFY **COVID CARE TEAM** IMMEDIATELY • **423.551.0533**

PREVENTATIVE CARE

- The college provides instruction and guidelines for those who test positive for COVID or have been in close proximity to someone who has tested positive for COVID.
- Some group programming has been modified to reduce the likelihood of COVID transmission.
- In general, masks are required in the college classrooms
- Masks are highly encouraged in all in-door settings.
- 90 Day Factor - If you have been exposed with no symptoms, and have had COVID-19 in the past 90 days with verified proof, please contact BCHealth@bryan.edu for instructions.
- A vaccinated person typically experiences improved symptoms within 3-5 days.

COMMON SYMPTOMS

DRY COUGH • FEVER • TIREDNESS • LOSS OF TASTE OR SMELL • ACHES AND PAINS
• HEADACHE • SORE • THROAT • NASAL CONGESTION
